Introduction:

Hello, my name is Takura Nyabvure
I am on the lookout to be part of a team that loves to solve problems. I have a passion for learning new skills and working with interesting people who are able to teach me new things. I've held a position as a digital strategist for a startup and a few internships and projects. Overall I am equipped with the fundamentals for web development, design and brand management. Willing to travel or relocate if required.

Basic Information:

Name: Takura Nyabvure

Residence: 12 Lombardi Lane, Hornbill road, Bryanston 2191

Email: t.nyabvure@outlook.com

Gender: Male

Ethnicity: African

Citizenship: South African

Experience:

Digital Strategist for Uya Travel [http://www.uyatravel.co.za/] where I started on the 4th of March 2016 up until the present day. My main roles included managing the company's external IT resources (Website & Digital Marketing).

Brand Manager for Mawuya Holdings (Pty)Ltd. My roles included creating the logo for Mawuya holdings and all its subsidiaries, creating the branding and digital presence.

Education:

Bachelor of Computer & Information Sciences Foundation Program
Monash South Africa (2013)
This one-year program provides the pathway between the higher education qualification and Monash South Africa's Bachelor of Computer and Information Sciences

Bachelor of Arts in Digital Multimedia
University of Johannesburg (2016 – 2018)
This three-year degree provides instruction in the multimedia discipline and prepares any holder for a career in multimedia design and development, such as web & app design, animation, interactive & graphic design etc.

Matric

Knights College & Preparatory school (2009 – 2012)
South African standard of secondary education. To receive entrance into higher education all South African citizens are expected to complete a Matric certification.
